Pre-Pay Tuition There are good reasons to pay your tuition with your application.

- If you pre-pay your tuition, we will include a note on your I-20 and a receipt. Pre-payment will help show the consular official who does your visa interview that you are serious about studying in our program.
- Prepayment will also secure your seat in our program.
- You may pre-pay tuition at any time.

Add 10% processing fee to tuition paid on or after the first day of class.

Fees are due upon arrival in Tucson on the day of registration. They are neither refundable nor transferable. It is not a good idea to pay them in advance.

Costs Table for Full Time Study in the regularly scheduled 8-week sessions.
