ON Monday, Tuesday, or Wednesday (January 8-10) ✨ CESL Check-In and Registration:
You must check in and register at CESL on Monday, Tuesday, or Wednesday between 8:00 a.m.—4:00 p.m.

Registration has 2 steps:
1. Fee Payment: You must complete the payment of your tuition and fees first. You may pay any balance due with cash, check, traveler’s checks, or credit card. *There will be a late fee of 10% of tuition for all students who pay after 5 p.m. on Thursday.
2. Bring the following documents with you:
   a. Proof of immunization against measles, mumps, and rubella (MMR). Please see the immunization information in your arrival packet for details and an immunization form. You will not be permitted to register without proof of MMR.
   b. Your passport, I-20 and I-94 with your Tucson address and phone number.
   c. If your family members have F-2 visas, bring their passports with I-94s and I-20s so that we can make copies.

CESL ID card: After you pay your fees, you will receive your CESL ID card, which is your identification card. It shows that you are a CESL student. You need it to use the CESL computer labs and the Campus Health Center.

Cat Card: While you are at CESL, you will use two ID cards: the CESL ID and the University ID card, called a Cat Card. After you have your CESL card, go to the Cat Card Office, in the Student Union building. You will need:
   • CESL ID card
   • $25.00
   • Your passport

Do not lose your ID cards. It will cost you $25.00 to replace either your Cat Card or CESL ID card.

ALSO ON Monday, Tuesday, or Wednesday (January 8-10) ✨ Placement Testing:
Don't be nervous about the placement test. We will test you in 5 areas: listening, grammar, speaking, reading and writing. The questions are general and the results will help us decide which classes are best for you. During your first 2 days of class, if you feel you have been placed too low, you’ll have the opportunity to speak with the Assessment Coordinator to see if you’re eligible to retake the placement test. This is only possible for students starting week 1 of the 8-week session. *Students who arrive, check-in and pay after 4 p.m. on Wednesday will be charged a $75.00 late testing fee.
